YOUNG MEN AND WOMEN IN CHARGE
FOUNDATION, INC.

Scholar Spotlight

Janis A. Bady
West Chester Chapter

Janis A. Bady is in the 12th grade at Pennsylvania Leadership Charter School where she has often earned Honor Roll status. Janis joined YMWIC when she was in the 5th grade and credits YMWIC membership with, "Helping me to function properly in a professional space and represent myself in a way that impresses others." When we asked what she has enjoyed most about YMWIC, she responded, "I like the big events the most because I feel like it is a time to show what we have worked on." She would tell other students who are considering YMWIC that the Program is valuable, even if they are not going into a STEM career.

A very gifted dancer, Janis would like to become a dancer in a contemporary dance company. She will be studying dance in college and has applied to The Juilliard School, Fordham University, University of North Carolina School of the Arts, University of the Arts, Point Park University, Boston Conservatory at Berklee, and George Mason University.

When not studying or dancing, Janis enjoys making jewelry, altering old clothes, playing video games, and watching television. She enjoys journaling about her thoughts.

We are so proud of your growth, Janis, and we know you will do well!
