

YOUNG MEN AND WOMEN IN CHARGE
FOUNDATION, INC.

2023 Holiday Giving Event

On Saturday, December 9th, YMWIC Scholars, their families, and staff gathered for our Annual Holiday Giving Event at East High School in West Chester to celebrate the holidays. With a very diverse membership, YMWIC hosted our Scholars and their families from all Chapters. In addition, we chose a family that could use a little extra help during the holiday season from the community of each Chapter and invited them to attend. Whether they attended or not, each of these families was presented with beautifully-wrapped gifts for the parents or guardians and their children that were donated by our member families.

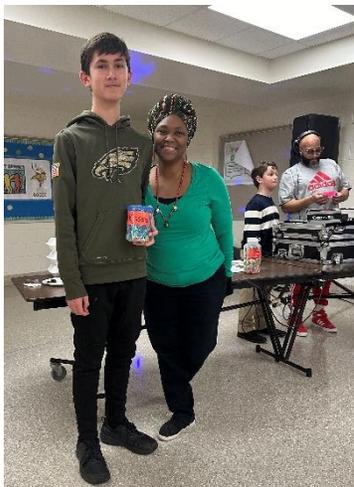

The day was full of holiday cheer as we enjoyed a delicious potluck meal of a yummy variety of dishes and desserts provided by our families. In addition, Scholars participated in friendly contests, playing games, dancing, mingling, and just having a good time! Congratulations to the winners of the candy-counting contest--Maximilian Schmied of the West Chester Chapter, Jasmyne Thomas of the Coatesville Chapter, and Joshua Gunawan.

Thank you to our DJ, Johnny Johnson aka DJ Johnny Tech, and Emcee, Mr. Edward Ganges, for providing the entertainment, and all of the many volunteers who contributed time and resources to make this event fun and memorable for our Scholars!

Following is a gallery of photos from the event.
