Scholar Spotlight

Anthony Abell **Phoenixville Chapter**

Anthony Abell is an enthusiastic and well-rounded Scholar in our Phoenixville Chapter. He is in the 11th grade at Renaissance Academy Charter School where he is proud to say that he has consistently been an Honor Roll student, plays soccer, and sings in the choir. Anthony became a YMWIC member this Program Year and values the experiences offered to our Scholars as they prepare and apply for college, such as SAT Prep workshops to prepare Scholars for the SAT College Entrance Exam. His advice for other or prospective Scholars is, "The organization is very beneficial, so please soak up everything they offer you. It prepares you for life after high school."

Anthony does not yet know which colleges he will apply to but would like to study to become a Speech Therapist for children. In his spare time, he enjoys running, biking, drawing, and animating.

We are certainly here to help you in your college preparation process, Anthony.
