2024 Holiday Giving Event

YMWIC Scholars Share a Day of Holiday Joy

What a joyous day! On Saturday, December 8th, YMWIC Scholars and their families from all Chapters gathered together for one of our most anticipated events of the Program Year, our Annual Holiday Giving Event. The event was held at Fugett Middle School in West Chester, PA, in celebration of the holidays.

We recognize and honor the diversity within our organization and want all of our Scholars to be able to come together and celebrate in an all-inclusive environment. In addition, each year we choose a family that could use a little extra help during the holiday season from the community of each Chapter and invite them to attend. Whether they attended or not, each of these families was presented with thoughtful and beautifully-wrapped gifts for the children and their parents or guardians. The gifts or donations were made by member families in each Chapter.

The day was full of holiday cheer as we enjoyed a potluck meal of a delicious variety of dishes and desserts provided by our families. Members of the YMWIC Choir, under the leadership of Thomas Bowers, led in joyous holiday songs. In addition, Scholars participated in friendly contests, playing games, dancing, mingling, and just having a good time! Congratulations to the winners of the raffles and the Scholars who won the candy-counting contests.

We give a special thank you to all of the many volunteers who contributed time, resources, and delicious food to make this a fun and memorable event for our Scholars!
