Diana Morales Viveros **West Chester Chapter**

West Chester Chapter: Diana Morales Viveros attends West Chester East High School and is in her senior year. It was her mother who introduced her to YMWIC. Since joining, she has most enjoyed the people involved in it saying, “Everyone is so nice, and it is just a comfortable place to be in. It has prepared me for college.” As a member of YMWIC, Diana has gained more confidence in her public speaking. She has had the opportunity to connect with companies that could possibly help her in the future.

Diana’s hobbies are playing the contrabass clarinet, playing softball, and being in Color Guard, with Color Guard being her favorite! She would tell prospective YMWIC Scholars, “You should join, I’m honestly glad I decided to be an active member. It is just a nice place to be, and it gets you ready for the future, especially for college. At the same time, if you don’t go to college, it also gets you ready for the future. The resources and activities help you to explore careers that you might be interested in, even some that you haven’t heard about before.”

We are glad you stayed, too, Diana!
