FOUNDATION, INC.

YMWIC Community Service Events

As a way to demonstrate the importance of giving back to the community and having compassion for those in need, YMWIC offers opportunities for our Scholars to participate in Community Service events. Our Chapters have participated in the following:

Chester Upland Chapter

On February 1st, Chester Upland Scholars paid a visit to the ACCESS Chester Community Center to help them care for the facility. Scholars split into two teams: some took the task of cleaning the building while others took the task of helping the organization prepare for their week of working with the community. ACCESS is a community center that seeks to promote quality of life and access to resources for all individuals of the Chester Upland area. Scholars on the Cleaning Team worked to clean the windows, meeting rooms, and bathrooms while those on the Prep Team assisted in making sandwiches and blessing bags filled with toiletries.

Martin Luther King High School Chapter

On February 17th, Scholars from the MLK Chapter of YMWIC visited Stenton Family Manor, a shelter that supports families experiencing homelessness. During their visit, the Scholars spent time with children who were off from school for the day. The group enjoyed playing games together, including Monopoly and Uno. They also participated in a gemstone digging activity, which gave the children a chance to explore and have fun. This visit provided an opportunity for Scholars to engage with the community and share their time in a meaningful way. Both our Scholars and the children at Stenton Family Manor had an amazing time.
