Scholar Spotlight

Taylor Carter **MLK School Chapter**

This month, we are excited to highlight Taylor Carter, an 11th-grade scholar at Martin Luther King High School. Taylor joined YMWIC in 11th grade and is already embracing new opportunities within the program.

Taylor shared that YMWIC has encouraged her to try new things, helping her step outside of her comfort zone. After high school, Taylor is interested in pursuing a career as a social worker, a field centered on supporting others and making a positive impact in the community. Taylor is also considering West Chester University as a future college option.

Taylor advises younger and new scholars to try something new and encourages those unfamiliar with YMWIC to give the program a chance. Academically, Taylor has earned Honor Roll recognition, showing strong dedication to school success. In her free time, Taylor enjoys watching movies and relaxing, and we're proud to have her as part of the YMWIC family as she continues to grow and explore her goals!
