EAGLE ACADEMY PCS

at

Congress Heights | Capitol Riverfront

In 2018, we partnered with Eagle Academy PCS to provide opportunities for 20 of their top performers to attend Kids Set Sail for a week of summer camp at no cost to the children's families. We look forward to continuing our partnership with the school in 2019 and beyond. We will also host Eagle Academy for a couple of Educational Charters on our 65-foot schooner, "American Spirit," in 2019.
