Dear 6<sup>th</sup> Grade Parent,

The LCHS administration is already getting excited about welcoming the Class of 2023 to Liberty Common High School (7-12). We consider it a sincere honor to join you in delivering an excellent education to your children.

The teachers and administrators of the elementary school and high school work very closely together in order to ensure the transition from 6<sup>th</sup> to 7<sup>th</sup> grade is smooth for students and parents. We collaborate to provide many opportunities for parents and students to learn about the junior-high curriculum, academic expectation, and the robust student life, to visit the high school, and to prepare for this big transition. There will be more information to come, but we wanted to let you know we're already thinking about your family and want to make sure you are aware of a few upcoming events.
