

## **Mad River Gorge & Nature Preserve**

The Ohio Hot Spot event will be a week-long opportunity learning principles of Leave No Trace and help improve the conditions of local parks. There will be two days of trail work at the Mad River Gorge and Nature Preserve, Springfield, Ohio. We encourage you to get involved with the Hot Spot Scout work project. It is a great way to learn new skills and improve the conditions of our parks.

### **Day 7: Sunday, October 1st**

Scout Group Workday

Trail Building and General Cleanup Day at Mad River Gorge

Time: **10:00am- 3:00pm**

Who: 3-4 local scout groups (40-50 scouts and scout leaders) (estimate)

Where: **Mad River Gorge & Nature Preserve, 2710 Dayton- Springfield Road, Springfield, OH 45502**

Contact: Courtney Curtner, [courtney@ohioclimberscoalition.org](mailto:courtney@ohioclimberscoalition.org), 937.478.9157

Additional Details: Trail day at the Mad River Gorge & Nature Preserve to help continue the construction of trails at the preserve and also work on retaining walls at popular climbing spots. Volunteers should bring gloves, safety glasses/goggles if desired, refillable water bottles and a sack lunch/snacks.
