

Safety Group #564 and OneGroup are proud to announce a *new* partnership to help YOU reduce your workers' compensation costs

OneGroup, a leading risk management, insurance and HR firm headquartered in New York State, has been selected to manage NYS Safety Group #564. OneGroup is pleased to offer you new and exclusive business solutions for your workers' compensation program as well as all of your commercial insurance and service needs. The program is powered by OneGroup and offers valuable business service alternatives to all NYSBA and QBBA members. The program is effective as of 11/1/19.

Some highlighted services OneGroup can help you with include: risk management, loss control, claims oversight, contractual risk transfer, tailor-fit educational seminars, certificates and help with classifications/rates.

Please feel free to take advantage of OneGroup's robust services that include but are not limited to:

Commercial Insurance:

- Exposure Analysis
- Audit Preparation & Management
- Contractual Risk Transfer
- Bid Spec Review
- Contractual Compliance Review – 1st & 3rd Party

Risk & Injury Management:

- Claims Management/Oversight
- Safety Analysis & Management
- Claim & Incident Analysis/Trending
- Audit Recovery Programs

For more information on the services now available to you, please reach out to us, **NYS Builders Association Workers' Compensation Safety Group 564** at **315-457-1830** or **NYS564@onegroup.com** or any of your dedicated OneGroup team members below.
