## Robin L. Gray

Author

What if we were all living multiple realities, with a slightly different personality in each one? What if you were headstrong rather than laid-back -- born under a different star sign? How would it affect your family relationships, or who you love?

Join Ming and her mysterious fourth-dimensional guide, Paradox, on their fascinating journey through of the many realities of Ming: a powerful healer from the planet Telet, who travels the galaxy in search of the souls she's destined to help.

Experience the adventure and get ready for a wild ride!
