

## Opportunities in Northern Michigan Chapter

---

### Disaster Services

#### Preparedness:

- **Home Fire Campaign Volunteer:**
  - Working with your local fire department and your community to educate and install free smoke alarms
  - Test current smoke alarms
  - Install up to three smoke alarms per home.
  - We offer free training.
  - We offer tools necessary to do the job.
  - Our goal is to reduce fatalities by 25%
  - Being part of the bigger picture of giving back to your community
- **Pillowcase Project Volunteer:**
  - Present preparedness education material to grade school children in a school setting
  - Assist in the development of school relationships
- **General Preparedness:**
  - General preparedness education during events
  - Assist in the development of community partners
  - Attend local events within the chapter

#### Response:

We help people affected by disasters ranging from home fires to hurricanes by providing food, shelter, clothing, comfort and hope. Each year, volunteers respond to approx. 2,300 local disaster across the state of Michigan.

- **Disaster Action Team Member (Disaster Services Member):**
  - DAT Members work on a scheduled, on-call basis and respond to disasters in their local community/geographical area
  - **Day and overnight shifts available 24/7 – 365 days a year**
  - **Shifts are scheduled in advance (by the responder). Responders are expected to answer emergency calls and respond while on-duty.**
  - Work with clients to begin the recovery casework process
  - Length of shift will vary by geographical area

#### Recovery:

- **Recovery Caseworker (Disaster Services Member):**
  - To assist clients in bridging the gap between what they can accomplish on their own and what is necessary to allow them to move through the recovery process
  - Usually completed during daytime, weekday business hours (may differ by geographical area)

Those with professional licenses:

- **Disaster Health Services:**
  - **MUST HAVE ONE OF THE FOLLOWING:** Active unencumbered license as Registered Nurse, Licensed Practical Nurse, Licensed Vocational Nurse, Nurse Practitioner, Advance Practice Nurse, Medical Doctor, Doctor of Osteopathy, Physician's Assistant, Emergency Medical Technician or Paramedic
  - Provide health-related services and secure resources to meet the health needs of people affected by disaster.

- Provide support to persons who have disaster-related or disaster-aggravated health needs; help clients find resources to meet health-related financial obligations
- **Disaster Mental Health:**
  - **MUST HAVE ONE OF THE FOLLOWING:**
    - **CURRENTLY LICENSED MENTAL HEALTH PROFESSIONALS.** Must have at least a master's degree in one of the mental health professional below; AND currently hold a license (any level, including non-clinical licenses such as a Licensed Master Social Worker/LMSW) from any U.S. State or territory as a social worker, psychologist, professional counselor, marriage and family therapist or psychiatrist.
    - **CURRENT SCHOOL PSYCHOLOGISTS AND SCHOOL COUNSELORS:** Must have at least a minimum of a Master Degree in school psychology or school counseling; AND currently hold a state license or state certification issued by a state board of election
    - **CURRENT PSYCHIATRIC NURSES:** Must have a state license as a RN; AND have a minimum of 2 years' experience working in a psychiatric setting
    - **RETIRED MENTAL HEALTH PROFESSIONALS:** Must meet the above educational criteria for a specified profession; AND held a license or certification (any level license) from any US State or territory as a social worker, psychologist, professional counselor, marriage and family therapist or psychiatrist, within the 5 years prior to on-boarding as a DMH worker and retired in good standing with the issuing state licensing or certification board
  - Provides crisis interventions, mental health screening and assessment, emotional care and support, referrals, advocacy, mediation, consultation, psychosocial education and mobilization and psychological triage.

**Not interested in being on the front line but want to be part of the Disaster Cycle?** Other positions are available within Disaster Cycle Services and will vary by geographical location. Opportunities may include:

Workforce Management

Clerical
