Dear Chamber Member:

I am writing today announcing that I have established a NEW business relationship with a group of concerned Conservative Citizens that have formed a corporation called, **AS THE SUN RISES.US**

They are based in Michigan and what they do is they **HELP PEOPLE**. In fact, their Life Coaches and Staff, help people solve problems or help people through situations they find themselves in that they cannot get out by themselves. Or they don't have the funds to help them solve the problem, themselves. So what **ATSR** does is lets say a Veteran who needs a home who is homeless and he can prove he had already been to the other help entities, such as the two we have here in town, but for some reason was turned down, he can come to **ASTHESUNRISES.US** and receive THEIR help. What this group does is raise money through their business sponsors selling products and donating the money to **AS THE SUN RISES** to help that person. And in turn, since this is NOT a FREE program, if all the person has is their volunteer time to pay **ATSR** back, then they volunteer their time, in exchange for the help they received. This is called PAYING IT FORWARD. **People HELPING People!**

**They can help people who have CHILD SUPPORT ARREARAGES, STUDENT LOAN COUNSELING OPTIONS, VETERANS ISSUES, AND SO MUCH MORE.** These Life Coaches can help the average person THINK THROUGH, WORK THRU and SOLVE issues they cannot solve on their own, as their Life Coach. The world has become a very complex and confusing place. Or certain groups of people, LIKE **VETERANS AND CHILD SUPPORT PAYORS are left out of getting any help DUE TO RESTRICTIONS ON HELPING THEM.** Go to their website by googling it, **ASTHESUNRISES.US** and you will see that for \$1 you can get a 30 minute Life Coaching Session to find out more. Nothing will happen until you pick up the phone!

Today, I am asking for help for a Veteran, we'll call him "Dan", Honorably Discharged, who was given a Military Pension, then they turned around and took it back. He is living in poverty, Totally and Permanently Disabled. He needs a CAR AND INSURANCE to take himself to Medical Appointments so that he may live and get well. He has exhausted all avenues he himself can utilize to get a car. Dan's number with ATSR is #1011.

**O'RHanges' Bakery**, one of our Valued and Excellent Business Sponsors has agreed to help him!

They will be selling Bakery Goods to Raise money for Dan. We have a budget, we have found a good vehicle in good condition, we have priced out a year of Insurance, (cheaper) and now we need people, just like you to buy the Bakery Products and help Dan Achieve his goal, of independence and mobility. If you would like to buy some Excellent Bakery Products, please email or call

989-392-9697 and a list of available products will be sent to you by regular mail or email.

As I say in my campaign, "Stop Talking and Start getting the work done!"

Respectfully Yours,

Valerie L. Willis, Candidate for US SENATE-Congress Michigan 2020
