

# COOKING CLUB

SUNDAY, MARCH 17<sup>TH</sup>  
3-5PM

## Let's cook together!

We will supply all of the ingredients and guide you through the process. You will leave with two meals ready to take home and enjoy. Depending on what we are making, tasks will be assigned to make preparing the meals more efficient. Every Cooking Club we will make something different for you to take home and easily make.

We will be making a family size Chicken Pot Pie and Split Pea Soup this time. Please bring a 9-inch pie pan for your pot pie and a 2 quart (or larger) container to bring your soup home in. Both of these meals are easily frozen if you don't want to eat them right away - we will go over re-heating when we get together.

Cost is \$40 per person. If you want to come with a partner but only take home one share of the food, the additional person is \$5. If you want to take home a double share please let us know when you RSVP. RSVP is mandatory for this to ensure we have enough ingredients. Please call 231-268-3221 to reserve your spot.
