Dear Michigan Voter:

It is with great happiness and excitement I write you to choose me, Valerie L. Willis and vote me in Nov 6, 2018 as a WRITE IN Candidate for US SENATOR CONGRESS MICHIGAN. I am the ONLY Conservative Independent in the Race. Stabenow is a Democrat of course, with a 40 year history of making bad choices for Michigan, just look at the EPA reports for starters. John James, is a "STEADY DEMOCRAT" pretending to be a Republican, while the Republicans remain silent. Check out the facts on my website at valeriewillis4senate.com...see above.

Please vote your conscious and vote for Hope for Michigan by giving her and her people positive choices for ALL Michigan Citizens. Please read my attached letter and then do me one more favor. I am not a multi-millionair able to BUY voters or gobs of advertising I am a Patriot. Would you be so kind as to SEND THIS EMAIL AND ATTACHMENT TO EVERY VOTER AND FRIEND YOU KNOW SO THAT THEY KNOW EXACTLY WHO AND WHAT THEY ARE VOTING FOR. This Mid Term Election Vote matters greatly.

Respectfully Yours,

Valerie L. Willis
