Breakfast With Santa

All You Can Eat Flying Pancakes With Santa.

Mark your calendars because, Santa Claus is coming to town with his elves, lots of fun, good food and excitement for the annual Breakfast with Santa for the Cheboygan Learning Center. On Saturday, December 8, children, parents, grandparents and those who are young at heart, are invited to attend. The elves have their griddles and flippers ready for you to “catch” their famous flying pancakes. You too can enjoy All-You-Can-Eat pancakes, sausage, orange drink, and coffee with Santa and his elves from the Chris Cakes flippers.

Santa and his pancake flipping elves will be at the Fernelius Toyota Chrysler Dodge Jeep Ram Dealership and there will be lots of activities to enjoy. Not only will the children be able to share their Christmas list, but they can also get a professional photo with St. Nick. In addition, children will take part in a Christmas craft table, where they can make their own take-home ornament; get their face-painted, color, partake in bake goodies, have their hair painted, decorate cookies and buy their favorite person a homemade gift at Santa’s Workshop! Children can also write a letter to Santa. Letters will be delivered via the Macy’s Mailbox. Macy’s donates money to the Make a Wish foundation for each letter they receive.

Fernelius is once again carrying on the tradition and providing it as a fundraiser for a local group. “This is The Learning Center’s fourth year as the recipient. They are a perfect fit for the event,” said Alice Fernelius, organizer for the event. “Breakfast with Santa has always been a great addition to the community and we wanted to keep this fun family activity going while helping non-profit groups. Students and families from the Learning Center will be working the event

and are currently selling tickets. Learning Center officials are really excited about putting on this breakfast and really hope that everyone comes out to support the program – the funds raised will help with educational development for the high school and preschool students.

“This event is a lot of fun - every year children and adults of all ages really enjoy themselves – this is not your typical buffet,” according to Fernelius. “You get breakfast, entertainment -the pancakes really do fly - and much more, getting you in the holiday spirit.” Fernelius went on to say that Chris Cakes is nationally known for their flying pancakes provoking lots of laughter and fun for breakfast. “The event is a great family holiday activity because it also gives back to many children including the Learning Center and their families as well as children all over the nation through the Make a Wish foundation.”
