**Dear fellow Cheboygan Area Chamber of Commerce Member,**

As the holiday season is quickly approaching, the Cheboygan Area Jaycees are beginning the 2017 Christmas Wishes Program. In cooperation with many local businesses and community members, we are looking forward to helping many area families who find themselves in need this holiday season.

It is the generous support of our community that enables us to continue such an important project. Although we certainly acknowledge the difficult economic times, we are firm believers in the old adage that "every little bit helps" and we truly appreciate every donation.

Since beginning this valuable program over twelve years ago, we have been able to help hundreds of area families; whether it was with winter clothing, toys for children, household goods or necessities such as groceries.

Families are selected based on need and are carefully screened by our committee. You can be assured that 100% of your generous donation will go to help an area family in need. Families must fill out an application and attach a letter of circumstance by December 9<sup>th</sup>, 2018.

If you would like to help us on this important mission, please complete the donation form on the reverse side of this letter and return to the Cheboygan Jaycees by **Friday, December 9th, 2018**. If you are interested in adopting a family, please contact Jade Hunt at 231-420-2555 between the hours of 9:00am & 4:00pm, Monday - Friday.

Thank you for your continued support. It is your generosity that enables us to continue bringing such important programs to the citizens of Cheboygan.

**Merry Christmas & Happy New Year!**
