Please note that several items in the North Dakota Medicare Advantage Enrollment Guide have been updated since printing. The corrected information is provided below and should be used in place of the information printed in the guide where applicable. Thank you for your understanding as we work to ensure you have accurate plan information.

- Medicare Advantage® Select H8889-012-000 – the SNF benefit is $221 for days 21-48
- Tier 6 drugs should be labeled as Select Care
- Please disregard the note regarding Primary Health System (PHS) selection
- The correct footnote for blood glucose monitors is as follows: *Blood glucose monitors limited to Abbott FreeStyle and Ascensia Contour at retail pharmacy; Continuous glucose monitors limited to Abott FreeStyle and Dexcom at retail pharmacy*.
