TRAVELING TIDE POOLS

Join naturalists to explore the New Hampshire coast through hands-on activities. Learn about coastal habitats, local wildlife, and meet some tide pool critters found in Odiorne Point State Park. This program is part of Seacoast Science Center's Nature@Nite, held on the third Friday of each month in at the Center Rye, NH.

Location: Northwood School's cafeteria

Address: 511 1st New Hampshire Turnpike, Northwood, NH

Not a school sponsored program.
