

Hi Northwood School!

I wanted to give a big THANK YOU for continuing to do work while at home! This is the time to really show your creativity working from home. Just because we are not physically IN school does not mean we can't have fun as a school community! Having said that, let's have a DIGITAL SPIRIT WEEK! Starting Monday, March 30th, there will be a different daily activity to participate in. Each day, when you are done with your video or picture, please send it to Mr. Alford (aalford@northwoodschoollnh.org). Make sure your parents have given permission to make and send any videos. We will post items on our website and other social media platforms. There is a list of essential businesses in Northwood below so you know which essential workers you can celebrate and thank. Don't forget to have fun doing this and know we miss you all dearly at school!

Mr. Alford

Northwood School Digital Spirit Week!

Monday March 30th	Tuesday March 31st	Wednesday April 1st	Thursday April 2nd	Friday April 3rd
What do you miss about Northwood School? <i>Video, picture, or Google document</i>	Best video or picture showing school spirit	Create a video or picture showing appreciation for Northwood's essential workers	Using home materials only: What grade level is able to create the best method/invention to disinfect surfaces? <i>Video or picture</i>	Best trash can trick shot. <i>Video or picture</i>

Wednesday, April 1st-Northwood essential workers: Northwood School, Hannaford, Post Office, Northeast Credit Union, Police Department, Fire Department, Cooper Hill, Umami, Northwood House of Pizza, Johnson's. I'm sure there are more that I'm forgetting, if you think of one not listed, please feel free to do something for them!
