Dear Veteran,

This Veterans Day the White River Junction Veterans Affairs (VA) Medical Center would like to connect with those in Vermont and New Hampshire who have served. We would like to say thank you and have a chance to give back. If you are not enrolled with the VA healthcare or if you are enrolled but not currently utilizing services, we would like to inform you on how we can serve you better!

The VA offers a wide variety of services ranging from assistance for Veterans seeking primary care services and a range of social support services. We have a robust mental health department offering one-on-one counseling, peer support (Veterans helping Veterans), group sessions, telehealth and more. We are proud to offer designated treatment areas for our women Veterans at the Women's Comprehensive Care Clinic in White River Junction.

The White River Junction VA Medical Center has seven community-based outpatient clinics located in Bennington, Rutland, Brattleboro, Newport and Burlington, Vermont; in New Hampshire we offer services in Keene and Littleton.

If you would like to enroll for VA Healthcare, available across the nation, please call our toll-free number (866) OUR-VETS (687-8387). A single form - VA form 10-10EZ – and a copy of the DD214 is all that you need when applying.

The American Legion, Disabled American Veterans and the Veterans of Foreign Wars have full time service officers that are knowledgeable about our programs. These independent organizations serve all Veterans including nonmembers in processing disability and pension claims. They can be reached in White River Junction at:

American Legion	802-296-5166
Disabled American Veterans	802-296-5167
Veterans of Foreign Wars	802-296-5168

Thank you for your service to our nation. On behalf of the White River Junction VA Medical Center team, we look forward to serving you.

Sincerely,

Becky Rhoads, Au.D.  
Associate Medical Center Director
