- Vertical orientation

All Entries Must Include:

 - Innovation
- The school year **[2021-2022]**
- Your name and grade on the back of your drawing

Entries Due By: **October 15, 2021** to Ms. Tritto in the office

Tips for a Good Entry:

- Use lots of color, including the background. Don't leave uncolored white space.
- Use crayons, watercolors, markers, colored pencils, etc.
- Do not add text too close to the edge of the page. Leave enough space around the edges, (no text) just color. This will avoid print issues when the art is applied to the cover.

Good luck, and HAVE FUN!
