

BENEFITS OF BEING A REALTOR®

It's In The Name

Not all real estate agents are REALTORS®. A REALTOR® is a professional who chose to elevate themselves in the real estate industry by following the REALTOR® Code of Ethics. Only REALTORS® can wear the R® proudly!

REALTOR® Political Action Committee

As a REALTOR®, you have a voice in Washington DC, Columbia, and your community advocating for your industry. Since 1969, RPAC has promoted the election of pro-REALTOR® candidates across the United States. The purpose of RPAC is clear: voluntary contributions made by REALTORS® are used to help elect candidates who understand and support their interests. Recent Legislative Successes: Protection of Independent Contractor Status and Extension of the National Flood Insurance Program in Congress. Uniform Business License Fees and Prevention of Service Tax on Commissions in the SC Statehouse. Momentum on Tax Modernization on Commercial, Rental, Secondary Property and Limited Impact Short Term Rental Ordinance at the Local Level.

The Code of Ethics

At the core, being a REALTOR® is about holding yourself to a higher Code of Ethics. The National Association of REALTORS® adopted a code that outlined their duties to their clients and to other brokers to create a better real estate community. When clients use a REALTOR®, they know they're getting the highest ethical service.
