Headshot Guide

One of the main benefits of receiving the Circle of Excellence award is the marketing opportunities it presents. As a recipient, your picture will be shared with local media, on social media, on the CCRA website and more! We want you to stand out for all the right reasons, so here is a guide to help you select the right headshot for your Circle of Excellence picture!

Do: Include your entire head and shoulders in the photo.

Do Not: Crop the photo so closely you lose the top of your head, or only show your face.

Do: Send the original photo file, ensuring it is crisp, good quality.

Do Not: Save the photo off the company website, or anywhere it is displayed as a thumbnail. Blurry or grainy photos will not print well.

Do: Make sure your photo has good lighting.

Do Not: Submit photos with harsh shadows, filters or that were taken in bright sunlight.

Do: Look directly into the camera.

Do Not: Submit photos where you are looking off camera.

File Reminders

- All headshots must be submitted as .png, .jpeg, or .jpg files.
- Minimum recommended pixels: 400x400 (Maximum 7680 W x 4320 L and 8MB.)
