PEN CS 2021 NATIONAL PHN CONFERENCE Virtual Event - Thursday 16th September, 2021

Time (AEST)	Opening Plenary		
10:00am 10:05am 10:15am 10:25am	 Welcome Pen CS Roadmap Introducing the Theme 'Connected Healthcare Outcomes' Value-Based Healthcare: Getting the Balance Right 	Vamsi Madala Edweana Wenkart Dr Thomas Wenkart Elizabeth Koff	
Time (AEST)	Main Stage: Future of Healthcare		
10:45am 11:05am 11:25am	 Community Benefits of Local Health Districts working with Primary Health Networks Preventative Care in Australia by Evolving the GP Approach The United Nations' Sustainable Development Goals: An Essential Role in Healthcare Delivery 	Richard Alcock AO Dr Kevin Cheng Dr Robert Sanson-Fisher AO	
	• Q&A	Edweana Wenkart (Moderator)	
11:45am	Morning Tea	Vamsi Madala	
12:00pm	Welcome back	Vamsi Madala	
Time (AEST)	Concurrent 1: Data Linkage		
12:05pm 12:25pm	 Connecting the Healthcare System: Local Level Data Linkage Pen CS Data Linkage Software Development Kit (SDK) 	David Pryce Senthu Jegadheesan & Dr David Carman	
Time (AEST)	Concurrent 2: Data Governance and Regulatory Compliance		
12:05pm 12:25pm	 Pen CS Data Governance Framework Regulatory Compliance: TGA certification, ISO27001 	Alan Arnott Terrance Thiel	
12:45pm	Lunch	Vamsi Madala	
12:50pm 1:30pm	PHN and ACCHO NetworkingWelcome back	Vamsi Madala	

Time (AST) Main Stage: Reducing Potentially Preventable Hospitalisation			mileoted Ficultionic Outcomes	
1:35pm	Time (AEST)	Main Stage: Reducing Potentially Preventable Hospitalisation		
An Integrated Approach to Cardiovascular Disease Management Translating Discovery and Innovation at the Coalface: Insights from the Mission for Cardiovascular Health Q&A Time (AEST) Main Stage: Closing the Gap 2:35pm Aboriginal Controlled Community Health Organisations and Aboriginal Medical Services Perspective: One Health System to Enable Better Service Delivery Q&A Time (AEST) Main Stage: Social Determinants of Health 2:55pm Complex and Dynamic Data Modelling for Mental Health Q&A 3:15pm Break Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm COVID-19 Tracker Sanofi Case Study: FLU Vaccine Colinical Trials in General Practice Q&A Concurrent 4: Integrating the Healthcare System Universally Accessible High Quality Healthcare Integration Dr Jennifer McIntosh Dr Robert Menzies Megan Gleeson Gemma Buckle (Moderator) John Gregg Andrew Coe Integration Dr Teng Liaw Jessica Holman Dr Teng Liaw Jessica Holman				
Pranslating Discovery and Innovation at the Coalface: Insights from the Mission for Cardiovascular Health Q&A Time (AEST) Main Stage: Closing the Gap 2:35pm Aboriginal Controlled Community Health Organisations and Aboriginal Medical Services Perspective: One Health System to Enable Better Service Delivery Q&A Time (AEST) Main Stage: Social Determinants of Health 2:55pm Complex and Dynamic Data Modelling for Mental Health Q&A Time (AEST) Break Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm 3:40pm Concurrent 4: Integrating the Healthcare Q&A Time (AEST) Concurrent 4: Integrating the Healthcare System Universally Accessible High Quality Healthcare Integration Universally Accessible High Quality Healthcare Alongm Buckle (Moderator) Dr Jennifer McIntosh Gemma Buckle (Moderator) Andrew Coe Integration Universally Accessible High Quality Healthcare Integration Universally Accessible Accessible High Quality Healthcare Andrew Coe Integration Dr Teng Liaw Jessica Holman	1:35pm	· · · · · · · · · · · · · · · · · · ·	_	
from the Mission for Cardiovascular Health Q&A Time (AEST) Main Stage: Closing the Gap 2:35pm Aboriginal Controlled Community Health Organisations and Aboriginal Medical Services Perspective: One Health System to Enable Better Service Delivery Q&A Time (AEST) Main Stage: Social Determinants of Health 2:55pm Complex and Dynamic Data Modelling for Mental Health Q&A Time (AEST) Break Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm COVID-19 Tracker Sanofi Case Study: FLU Vaccine Clinical Trials in General Practice Q&A Concurrent 4: Integrating the Healthcare System Concurrent 4: Integrating the Healthcare Systems 1:20pm Universally Accessible High Quality Healthcare Andrew Coe Integration Dr Teng Liaw Dr Teng Liaw Dr Teng Liaw Dr Teng Liaw Jessica Holman Hep B and Hep C	1:55pm		Dr Sze-Yuan Ooi	
• Q&A Time (ASST) Main Stage: Closing the Gap 2:35pm • Aboriginal Controlled Community Health Organisations and Aboriginal Medical Services Perspective: One Health System to Enable Better Service Delivery • Q&A Dr Sam Heard OAM (Moderator) Time (ASST) Main Stage: Social Determinants of Health 2:55pm • Complex and Dynamic Data Modelling for Mental Health • Q&A Time (ASST) Concurrent 3: Real World Solutions and Research in General Practice 3:15pm Break Time (ASST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm • COVID-19 Tracker 3:40pm • Sanofi Case Study: FLU Vaccine 4:00pm • Clinical Trials in General Practice • Q&A Time (ASST) Concurrent 4: Integrating the Healthcare System 3:20pm 1:20pm • Universally Accessible High Quality Healthcare 3:40pm • Building Capacity and Capability across Systems through Integration 4:20pm • Data Standardisation and Data Quality • Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C	2:15pm	,	Dr Gemma Figtree	
Time (AEST) Main Stage: Closing the Gap 2:35pm		from the Mission for Cardiovascular Health		
Aboriginal Controlled Community Health Organisations and Aboriginal Medical Services Perspective: One Health System to Enable Better Service Delivery Q&A		• Q&A	Dr Ross Walker (Moderator)	
Aboriginal Controlled Community Health Organisations and Aboriginal Medical Services Perspective: One Health System to Enable Better Service Delivery Q&A	T:	Main Stance Clasing the Can		
Aboriginal Medical Services Perspective: One Health System to Enable Better Service Delivery • Q&A Dr Sam Heard OAM (Moderator) Time (AEST) Main Stage: Social Determinants of Health 2:55pm • Complex and Dynamic Data Modelling for Mental Health • Q&A Edweana Wenkart (Moderator) 3:15pm Break Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm • COVID-19 Tracker 3:40pm • Sanofi Case Study: FLU Vaccine 4:00pm • Clinical Trials in General Practice • Q&A Time (AEST) Concurrent 4: Integrating the Healthcare System 1:20pm • Universally Accessible High Quality Healthcare 3:40pm • Data Standardisation and Data Quality 4:20pm • Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C	Time (AEST)	Main Stage: Closing the Gap		
• Q&A Time (AEST) Main Stage: Social Determinants of Health 2:55pm • Complex and Dynamic Data Modelling for Mental Health • Q&A Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm 3:40pm • COVID-19 Tracker 3:40pm • Sanofi Case Study: FLU Vaccine • Clinical Trials in General Practice • Q&A Time (AEST) Concurrent 4: Integrating the Healthcare System 3:20pm 3:40pm • Universally Accessible High Quality Healthcare 3:40pm • Building Capacity and Capability across Systems through Integration 4:00pm • Data Standardisation and Data Quality • Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C	2:35pm	Aboriginal Medical Services Perspective: One Health System to	Kim Passante	
Time (AEST) Main Stage: Social Determinants of Health 2:55pm		Enable Better Service Delivery		
2:55pm Complex and Dynamic Data Modelling for Mental Health Q&A Break Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm COVID-19 Tracker Sanofi Case Study: FLU Vaccine Clinical Trials in General Practice Concurrent 4: Integrating the Healthcare System Concurrent 4: Integrating the Healthcare System Concurrent 4: Integrating the Healthcare Concurrent 4: Integrating the Healthcare System Concurrent 5: Integrating Systems through Integration Don's Gregg Andrew Coe Integration Concurrent 6: Integrating Systems through Integration Concurrent 6: Integrating Systems Systems through Integration Concurrent 6: Integration Systems S		• Q&A		
• Q&A Break Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm • COVID-19 Tracker 3:40pm • Sanofi Case Study: FLU Vaccine 4:00pm • Clinical Trials in General Practice • Q&A Time (AEST) Concurrent 4: Integrating the Healthcare System 3:20pm 3:20pm • Universally Accessible High Quality Healthcare 3:40pm • Building Capacity and Capability across Systems through Integration 4:00pm • Data Standardisation and Data Quality • Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C	Time (AEST)	Main Stage: Social Determinants of Health		
• Q&A Break Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm • COVID-19 Tracker 3:40pm • Sanofi Case Study: FLU Vaccine 4:00pm • Clinical Trials in General Practice • Q&A Time (AEST) Concurrent 4: Integrating the Healthcare System 3:20pm 3:20pm • Universally Accessible High Quality Healthcare 3:40pm • Building Capacity and Capability across Systems through Integration 4:00pm • Data Standardisation and Data Quality • Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C				
3:15pm Break Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm	2:55pm	. ,	9	
Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm 3:40pm • COVID-19 Tracker 9: Sanofi Case Study: FLU Vaccine 1:00pm • Clinical Trials in General Practice 1:00pm • Concurrent 4: Integrating the Healthcare System Time (AEST) Concurrent 4: Integrating the Healthcare System 1:20pm 9: Universally Accessible High Quality Healthcare 1:40pm 9: Building Capacity and Capability across Systems through Integration 1:4:00pm 1:4:00pm 9: Data Standardisation and Data Quality 9: Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C		• Q&A	Edweana Wenkart (Moderator)	
Time (AEST) Concurrent 3: Real World Solutions and Research in General Practice 3:20pm 3:40pm • COVID-19 Tracker 9: Sanofi Case Study: FLU Vaccine 1:00pm • Clinical Trials in General Practice 1:00pm • Concurrent 4: Integrating the Healthcare System Time (AEST) Concurrent 4: Integrating the Healthcare System 1:20pm 9: Universally Accessible High Quality Healthcare 1:40pm 9: Building Capacity and Capability across Systems through Integration 1:4:00pm 1:4:00pm 9: Data Standardisation and Data Quality 9: Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C	3:15pm	Break		
3:20pm	3713			
3:20pm	Time (AEST)	Concurrent 3: Real World Solutions and Research in General Practice		
• Sanofi Case Study: FLU Vaccine 4:00pm • Clinical Trials in General Practice • Q&A Time (AEST) Concurrent 4: Integrating the Healthcare System • Universally Accessible High Quality Healthcare 3:20pm • Building Capacity and Capability across Systems through Integration 4:00pm • Data Standardisation and Data Quality 4:20pm • Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C				
Clinical Trials in General Practice Q&A Concurrent 4: Integrating the Healthcare System Universally Accessible High Quality Healthcare Building Capacity and Capability across Systems through Integration Universally Accessible High Quality Healthcare Building Capacity and Capability across Systems through Integration Dr Teng Liaw Jessica Holman Hep B and Hep C	3:20pm	COVID-19 Tracker	Dr Jennifer McIntosh	
• Q&A Time (AEST) Concurrent 4: Integrating the Healthcare System • Universally Accessible High Quality Healthcare 3:40pm • Building Capacity and Capability across Systems through Integration 4:00pm • Data Standardisation and Data Quality • Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C	3:40pm	 Sanofi Case Study: FLU Vaccine 	Dr Robert Menzies	
• Q&A Time (AEST) Concurrent 4: Integrating the Healthcare System • Universally Accessible High Quality Healthcare 3:20pm • Building Capacity and Capability across Systems through Integration 4:00pm • Data Standardisation and Data Quality • Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C	4:00pm	Clinical Trials in General Practice	Megan Gleeson	
 Universally Accessible High Quality Healthcare Building Capacity and Capability across Systems through Integration Data Standardisation and Data Quality Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C 	•	• Q&A	Gemma Buckle (Moderator)	
 Universally Accessible High Quality Healthcare Building Capacity and Capability across Systems through Integration Data Standardisation and Data Quality Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C 				
 Building Capacity and Capability across Systems through Integration 4:00pm Data Standardisation and Data Quality Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C 	Time (AEST)	Concurrent 4: Integrating the Healthcare System		
 Building Capacity and Capability across Systems through Integration 4:00pm Data Standardisation and Data Quality Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C 	2·20nm	Linivarcally Accessible High Quality Healthcare	John Craga	
 Integration 4:00pm Data Standardisation and Data Quality Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C 	•	, , , , , , , , , , , , , , , , , , , ,		
 4:00pm Data Standardisation and Data Quality Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C 	3:40pm		Andrew Coe	
4:20pm • Increasing Screenings in General Practice: Bowel Cancer, HPV, Jessica Holman Hep B and Hep C	4:00pm		Dr Teng Liaw	
Hep B and Hep C	•	·	_	
	•			
Time (AEST) Closing Plenary	Time (AEST)	Closing Plenary		
Time (ALSI) Closing Fieldly	Time (AEST)	Closing Fieldly		
4:40pm • Conference Wrap-Up Vamsi Madala	4:40nm	Conference Wrap-Up	Vamsi Madala	
• Q&A		 Data Standardisation and Data Quality Increasing Screenings in General Practice: Bowel Cancer, HPV, Hep B and Hep C 	_	

Speakers	
Elizabeth Koff	Secretary, NSW Health
Edweana Wenkart	CEO, Pen CS
Dr Thomas Wenkart	
	Chairman and CEO, Macquarie Health Corporation
Dr Sze-Yuan Ooi	Director of the Coronary Care Unit & Staff Cardiologist, Prince of Wales Hospital
Dr Robert Menzies	Senior Medical Manager, Sanofi Pasteur
Dr Robert Sanson-Fisher AO	Professor, University of Newcastle
Julie Sturgess	CEO, North Coast Primary Health Network
John Gregg	CEO, Australian Healthcare and Hospitals Association
Andrew Coe	CEO, Western NSW Primary Health Network
Dr Teng Liaw	Professor, University of NSW
Senthu Jegadheesan	CTO, Pen CS
Dr David Carman	Clinical Consultant, Pen CS
Pruthvi Patel	Senior Account Coordinator, Pen CS
Vamsi Madala	Service Delivery Team Lead, Pen CS
Dr Ross Walker	Cardiologist, Sydney Heart Health Clinic
Dr Sam Heard OAM	Medical Director, Central Australian Aboriginal Congress in Central Australia
David Pryce	Manager Business Analytics Services, Western Sydney Local Health District
Alan Arnott	Managing Partner & Technology Lawyer, Arnotts Technology Lawyers
Terrance Thiel	Principal Consultant/Consulting Operations Manager, Brandwood CKC
Megan Gleeson	Operations Director, AusTrials
Richard Alcock AO	Chairman, Western Sydney Local Health District
Dr Jennifer McIntosh	Senior Research Fellow, Monash University
Dr Gemma Figtree	Professor in Medicine, University of Sydney
Dr Kevin Cheng	General Practitioner and Co-Founder, Osana
Dr Melanie Cheng	Health Columnist, The Saturday Paper
Kim Passante	Clinic & Quality Manager, Carbal Medical Services
