

Mitered Corner Napkin Class

Supply List

- To make two napkins you'll need 5/8 yard, four napkins 1 1/4 yards, to make six 1 3/4 yards
- A regular pencil works nicely for most fabrics
- Small travel iron and ironing board
- Cutting ruler that has a 45-degree angle on it doesn't really matter the size of the ruler
- Sewing machine (and sewing supplies)
- Thread to match your fabric (I like using Wonderfil's decobob 80wt thread, so it blends in more)
- An edge stitch foot is very important (BERNINA that's #10 Foot)
- Rotary cutter and ruler a 24" ruler works best and of course a cutting mat
