

# BERNINA Sewing Machines in Depth

**\$10.00**

Did you ever want to know everything that your **BERNINA** machine could do? Wanted to know what all the icons meant and how and when to use them? How to adjust the settings on your machine and why or when you would want to change them? Cody is offering a class that will cover in detail all these things and more for your machine. (325, 330, 335, 350, 380, 435, 475, 480, 535, 570 NEW Generation, 590, 740, 770, 790, 790 Plus, 880, 880 Plus

## Who is this class for?

- A **BERNINA** owner who has a newer machine listed above
- A **BERNINA** owner who answered yes to any of the questions above
- A Potential **BERNINA** owner who wants to know what the machine series they may be considering can do in full detail
- A **BERNINA** owner who knows their machine is capable of so much more than they are using

What will the student need for this class who already owns a **BERNINA**?

- Their **BERNINA** Machine
- Power cord
- Foot Peddle
- #1 or #1D foot
- Thread of your choice
- An Open mind and the willingness to learn

What will the student need for this class who doesn't already own a **BERNINA**?

- A Great Big Smile
- An Open mind and the willingness to learn

These Classes are going to be taught divided by series. So, there will be a different class for each **BERNINA** machine series

- 3 series machines (330, 325, 335, 350, 380)
- 4 series machines (435, 475, 480)
- 5 series machines (535, 570, 590)
- 7 series machines (740, 770)
- 790 and 790 Plus machines (this is a separate class from the 740 and 770)
- 8 series machines (880, 880 plus)

\*There will be a separate Classes for the **BERNINA** EMBROIDERY MACHINES.

\*These are not sewing or technique classes!
