Queens Village

September 17, 2020
10AM-12NOON

Queens Village is a supportive community of powerful Black women who come together to relax, repower, and take care of ourselves and each other.

Queens Village is an initiative of Cradle Cincinnati, a collective impact organization that fights high rates of infant mortality that disproportionately affect Black women in Cincinnati and beyond. We center Black women's voices on changing not just racial disparities in birth outcomes but also the conditions that drive inequity in maternal and infant health.

Queens Village provides a safe space for Black mothers to support and be supported by their peers, to connect, to relieve stress, to process trauma and to build a better world together for ourselves and our children.
