This program is available through USDA's Summer Food Service Program

You are only allowed to participate in 1 summer food service program site.

Please do not go to multiple sites.

Foodbank's **Picnic in the Park** and **SB Unified Summer Meals program** is the SAME federally funded program. AKA you can only opt in for one of these programs with one of these agencies. If you opt for Goleta's organic grocery program, you agree that you are not participating in Picnic in the Park or SB Unified Grab and Go meals.

Program is for anyone 18 and under.
