PRAYER

- Each evening, pray for the people who you received Christmas cards from that day.
- Praise God by moving your body. Listen to a Christmas carol and have a dance party praising God for each part of your body as you move and groove.

Pray:

Emmanuel, God with us, help us to stop and remember during this Advent season that you are always with us and always love us. Help us to share your love and light with others. Amen

FAMILY/PARENTING RESOURCES: ADVENT

Advent is a season of waiting and preparation. As you wait for the birth of the Christ child and prepare for the celebration of Jesus' arrival, prepare your hearts to be present for the miracle of God becoming human and living with us. Spend time in prayer with your family each day and spend time in devotion.
