TURKEY TIME

November's classroom themes are sports, nutrition and exercise. All the classes will participate together in a morning workout in the Big Room, November 11 through 15. Wear your workout clothes!

Food and exercise that help us grow will be discussed in class and will be reflected in artwork and activities. The traditional turkey will be evident in many art projects, too. The colors for the month are red and brown.

As Thanksgiving approaches thoughts will turn to families, celebrations and our many blessings.

DENVER SANTA CLAUS SHOP DONATIONS

The Denver Santa Claus shop, www.denversantaclaussshop.org is a volunteer-run, nondenominational non-profit organization that is all about children and toys. Their mission is that every child should have a toy at Christmas. The Denver Santa Claus Shop is expected to serve 12,000 children in December this year. The Denver Santa Claus Shop is a 501(c)(3) nonprofit organization operated by a large group of volunteers. All donations are tax deductible.

Wellshire PDO will be collecting unwrapped new and gently used toys for children 0 to 11 years old from November 11 to December 6. Thanks for your support!

REMINDERS

- We love to celebrate the children's birthdays. Please check with your child's teacher if you would like to celebrate at school. Many children donate a favorite book or toy to the class in honor of their special day and/or bring a special snack.
- Please send appropriate shoes for your child to play in outside. We can help the children change shoes at school. The ground may be wet, but if the air is warm...we go out.
- Let us know if any **personal information** has changed such as phone numbers, addresses and pick-up authorizations. **Current immunizations are required by licensing to be on file for all children.** If your child receives new immunizations please bring in a copy of his/her new immunization record.
- Label your child's belongings. There are tape and markers available on the classroom's sign-in table.
- **Please remember to sign your child in and out on the class sign-in sheet and you must leave a phone number where we can reach you. If we need to evacuate the school for any reason this is the contact information we take with us. Please write legibly. And please answer your phone if we call!**
