## **ProMedica Fostoria Community Hospital Announce 4<sup>th</sup> Quarter Recipients of ROSE and DAISY Awards**

**FOSTORIA, Ohio, February 22, 2022** – ProMedica Fostoria Community Hospital is proud to announce the winners of the ROSE and DAISY Awards for Q4 in 2022.

The DAISY Award is presented to a deserving nurse to celebrate the extraordinary compassion they provide patients and families every day. The award began in 1999 and is dedicated to the life of Patrick Barnes who was hospitalized for eight weeks after having a dangerously low platelet count. His family appreciated the compassionate care Patrick received and wanted to do something to recognize those who provide care on a day-to-day basis.

Just days after he passed, Patrick's family began talking about what they would do to help fill Patrick's void. His wife, Tena, came up with the acronym, DAISY, standing for Diseases Attacking the Immune System (DAISY). Through this award, the hope is that each nurse who receives the award truly recognizes the positive impact they have on the patients in their care.

The ROSE Award was established in 2020 by ProMedica to recognize outstanding employees in all roles in the hospital. This award celebrates the extraordinary efforts of the non-nursing employees who provide outstanding patient services in any position.

**Congratulations to Jennifer Hartson, RN, ED, for being a DAISY Award recipient!**

**Congratulations to Camryn Kidwell, health unit coordinator, acute care, for being a ROSE Award recipient!**

Anybody in the community can nominate an extraordinary NURSE for a DAISY award or an outstanding non-nursing employee for a ROSE Award.
