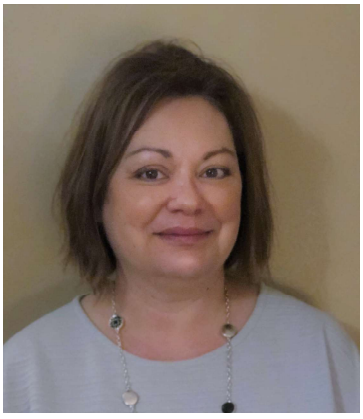
Preparing a Storm Water Pollution Prevention Plan Webinar

February 11, 2021 at 2:00 pm EST



Tamara Girard, DEFA Environmental Specialist

Do you need to develop a Storm Water Pollution Prevention Plan (SWPPP) to comply with a National Pollutant Discharge Elimination System industrial storm water permit? Learn the elements of a SWPPP and mistakes to avoid.

Ohio EPA's Division of Environmental and Financial Assistance will be conducting a webinar to better understand how to prepare a SWPPP. Join us on February 11 to help you better understand how to develop these plans.

After registering, you will receive a confirmation email with a link to join the session. Continuing Education Units will also be available for this webinar.
