Before You Hire that Contractor: Groundwork to Reduce Safety Risks

Instructor
Mary Beth Holley

June 18, 2020
1 - 2 p.m.

Because contractors often perform higher-risk jobs, the host employer needs to understand the contractor safety performance, regulatory obligations, and safety risks associated with the job before work commences. This webinar covers the areas for consideration during the various phases of the contractor selection, management, and evaluation process to aid in safety risk reduction.
