

## Chamber Energy Program

We are pleased to announce that our chamber has partnered with Community Energy Advisors (CEA). CEA is a Public Utilities Commission of Ohio certified energy management firm that educates and empowers organizations of all sizes to maximize the economics of their energy assets.

Through the Chamber Energy Program, CEA provides Chamber members with *Education, Savings, and Protection* on both regulated and deregulated energy expenses. With a credible partner looking out for your bottom-line, you can enjoy peace of mind and “budget-ability” when it comes to your utility costs.

**Education** - The regulated and deregulated energy markets are increasingly complex. To aid you in remaining proactive, making informed decisions, and budgeting your utility expenses, CEA provides timely and relevant information.

**Protection** - To help protect you from scams, fraudulent activity, and unexpected costs, CEA provides informative emails, blog posts, and seminars and manages your contracts to ensure you avoid monthly variable rates.

**Savings** - Paying more than you should for electricity and natural gas can add up to thousands of lost dollars that you could be investing back into your business. The Chamber Energy Program creates “market power” by shopping members together, driving suppliers to compete for their business and ultimately reducing energy prices. Ensure you are paying the most competitive market rates by enrolling in the program!

**If you would like to obtain a free quote to see how much you can save on your electricity and natural gas, simply choose one of the following options.**

- Call 330-208-2082
- Email a recent copy of your utility bill to [chamberenergy@ceateam.com](mailto:chamberenergy@ceateam.com)
