The Premier, go to IT Company in Seneca County and beyond! Local Owners, Local Hands On Management!

Chadwell Coppus Technologies (CCT) is a Technology based company offering IT Solutions to Businesses. CCT is locally owned by Brian Coppus and Rick Chadwell. Combined, they have over 40+ years of successful IT experience.

CCT provides quality, prompt, and affordable IT Services. We work with businesses in Northwest Ohio.

Proactive maintenance and monitoring allows CCT Ohio to identify and remedy issues before they become major problems, affecting productivity and eventually revenue. Whether it's for your datacenter, office infrastructure, or network devices, CCT Ohio can provide responsive managed services.

125 S. Main Street (Suite 301), Fostoria, Ohio 44830 | 419-379-1412
