

Adult Acrylic Painting Workshop

The Fostoria Community Arts Council will host an acrylic workshop for adults on Wednesday, October 16, from 6:00-9:00 p.m. at the FCAC office, 125 S Main St, Fostoria. Instructor Cindy Meadows will show those attending Impressionist painting techniques for beginners. "It's an easy way to learn the art, even for those who think they could never paint!" according to Meadows.

The cost for the workshop is \$35, and everything needed for the class is provided by Meadows with the exception of the brushes. The package of brushes can be found at Hobby Lobby, stock #848796, for \$5.99. You will need this pack of brushes for the class activity. At the conclusion of the class you will be taking your art home with you.

Cindy Meadows is an Artist / Public Speaker / Business Educator at Millstream Career Center Adult Learning. She has also taught painting and other art classes at 50 North in Findlay.
