

FALL IN LOVE WITH SENECA COUNTY

Celebrate "Fall" in Love with Seneca County event on October 12th

The event is a one-day festival that will encompass the Tiffin area. The Fostoria Chamber of Commerce and the Seneca Regional Chamber of Commerce encourage all businesses to be a part of this event in some way. The event will be used to promote small business and any future events that may be happening in October through December. Businesses are encouraged to have open houses, preview specials for Small Business Saturday, November 30th, or any other special event of your choosing. The goal of this event is to join both the community and businesses of Seneca County and the surrounding areas.

We also want to know if your business will be participating in Small Business Saturday and any other events that you have planned for the last quarter of 2019. We understand that you may want time to plan your activities. Please turn in the form to let us know that you will be participating. You may add event details later. The deadline for event details is September 12th. We will help you brainstorm some ideas for the event; if you are interested please let us know.

Businesses who wish to participate must register. Businesses may register [online](#) or print a [Registration Form](#). Printed copies may be scanned and e-mailed to dmartorana@tiffinchamber.com or mailed to:
