Helping Hands in Seneca County
This is a Facebook group coordinating individuals making fabric masks from their homes. This could be an appropriate solution for smaller or personal orders.

For large quantity orders of PPE, we recommend using a NOACC (Northern Ohio Association of Chambers of Commerce) vendor with whom they have negotiated discounted rates. **Click here** to view the flyer and access the website

Great Lakes Ace Hardware
Great Lakes is working hard to order supplies for businesses and will be holding inventory specifically for you. Click here to view B2B Product Sheet For more ordering information, please contact: Wayne Burns, 248-897-1001, wayne.burns@greatlakesace.com or Jon Marsh, 419-436-7100, jon.marsh@greatlakesace.com

Ohio Emergency PPE Maker's Exchange
This is an online marketplace where organizations that need PPE and related equipment can find a wide selection offered by Ohio manufacturers. This site is well suited for organizations that have lower volume needs such as nursing homes, police departments and small business employers. CIFT, a member of the Ohio Development Services Agency in coordination with Ohio Manufacturing Extension Partnership, has launched this exchange.
