

Another First for Fostoria!

The Fostoria Farmers' & Artisans' Market will host their first "night" market on Thursday, August 4th from 4:00 – 8:00 p.m. at Market Square Park at the corner of East Tiffin and South Main Streets. This "Harvest Happenings" market is sponsored by Mennel and will feature produce, floral arrangements, baked goods, honey, soaps and lotions and many very unique handcrafted items and more. The Mennel sponsored booth will feature interactive activities and displays as well as information about the company, history, products and career opportunities. Locally harvested and milled all-purpose flour will be available along with baked goods for a donation to benefit the United Way of Fostoria. Live entertainment will be provided on The UrbanWoody Brewery Stage during the market by comedian and magician Will McDaniel, and vocalist and acoustic musician Matt Goodrich, both Mennel employees!

Will McDaniel is a seasoned comic, bringing clean, family-friendly laughter to audiences for more than 10 years. He has traveled all over the United States sharing his twist on everything from family, friends, fun, and faith. No matter the topic, Will's twist on it will have you in stitches and wanting more! Will is on a mission! He wants to share his comedy to build bridges and to restore joy!
