St. Catherine's Manor of Fostoria is a busy and active place. Not only for the residents but also for the staff, who put community service as a high priority in all they do. Some of their community outreach programs include: Fostoria Senior Newsletter and Calendar; Free monthly community Bingo where desserts, coffee and blood pressure screenings are included; monthly educational talks; provide free monthly blood pressure screenings at Wesley Commons; "Dirt Therapy" for community members where attendees were educated on the various therapy programs available at St. Catherine's and planted pots of flowers and had their gardening questions answered by Lynette Conine of Conine's Country Market; Veteran's Ceremony recognizing area veterans; provide activities for Seniors with Developmental Disabilities; provide volunteers for Feed My Kids program; support Hospice bereavement camps for children; support local athletic teams and health fairs by donating raffle baskets, door prizes and advertising; participating in Community Clean Up and much more.
