

FOSTORIA AREA CHAMBER OF COMMERCE

& VISITORS BUREAU

ABOUT US

The Chamber is constantly striving to meet the needs of the business community and our goal is to help you succeed. In partnership with Fostoria Economic Development Corporation, Downtown Development and Tourism, Fostoria Learning Center and the City of Fostoria we strive to position the Fostoria area for economic growth and expansion. Membership in the Chamber helps support community initiatives, provides entrepreneurial programs, small business resources, networking opportunities and keeps you informed on ever-changing issues in our community and beyond. Chamber membership also provides many cost savings programs to help your bottom line.

SERVICES & BENEFITS

The Chamber offers options to help businesses of any size. Whether it's business start up or expansion resources, business promotion and marketing or cost savings, including health insurance discounts, we have you covered.

TESTIMONIALS

Reason I joined the chamber? I didn't know going in why other than I thought the window cling would look good on my storefront window. But boy I never expected all I have received thus far!

I discovered that whenever I have a business or community related question, idea or need the Chamber has never failed. All of the resources to help support my business are available for the taking. I was given a wonderful Grand Opening with all the bells and whistles. The attendees which included chamber members, the mayor and financial partners were present to show support and encouragement which brought tears to my eyes. My business has been a featured Business of the Month with media coverage and radio spotlight. We have been included in the American Express Shop Small Business campaign along with being given the opportunity to host a young entrepreneur in business during the first Christmas Kids Makers Market which was a huge success!!
