Process

LeadDIVERSITY approaches diversity, equity, inclusion, belonging, and leadership issues from a no-fault, interactive foundation with the goal of affecting positive change. Emphasis is placed on personal and professional growth through self-reflection and group participation as well as knowledge and practical skill enrichment. The class will meet in-person to engage with regional leaders in the corporate, non-profit, and civic arenas who hold diversity, equity, inclusion, and belonging as high values. Group members also look to one another throughout the year as a source for information, experience, and dialogue.

Participation

The *LeadDIVERSITY* program consists of 9 sessions and Graduation; the first session is mandatory. Programming will include in-person sessions, seminars, small group breakouts, personal reflection, conversations with Northeast Ohio's prominent leaders, in-depth facilitated group activities and discussion, and program evaluation. Full participation is essential to the *LeadDIVERSITY* experience.

Tuition

Tuition for each participant in the *LeadDIVERSITY* Class of 2027 is \$4,500.

Applicants may be sponsored by their employers, or with agreement from their employer, may sponsor themselves. A limited number of partial scholarships are available based on financial need.

Testimonials

"*LeadDIVERSITY* has been a bright spot in my year. The teachings, experiences, and people are powerful, and being a member of this cohort opened up a new layer of community for me that continually unfolds month-after-month. What I've learned through *LeadDIVERSITY* has stayed with me. It informs my thinking, yes, but more than anything it's shown me that there's work to be done, and we need one another to do it."

-Cat Geletka, Saint Ignatius High School, Class of 2025
