

FULL CIRCLE PRESCHOOL

The teachers at OZ Full Circle have been busy planning for the new school year which began Monday, August 30! This marks the preschool's fourth birthday. The apple tree we planted in our first year with the children, is in full bloom just in time for Rosh Hashanah. We have grown and overcome so much in the last four years and despite a global pandemic, we continue to push forward as a strong learning community.

We welcome the following new children and families to Full Circle:

Infant Room: **Robin Elvin** and parents Lauren (Ren) Weiner and Andrew Elvin, **Lucia Dunseith** and parents Andrea Solazzo and Patrick Dunseith, **Zoe Traverse** and parents Becky Wasserman and Ben Traverse (also parents to Jack Traverse in the Preschool Room and Full Circle alum Lola Traverse), **Eden Hoffnung** and parents Rachel Margolies and Michael Hoffnung (also parents to Zacky Hoffnung in the Preschool Room), **Pyron (Py) Lightberg** and parents Grace Oedel and Jacob Holzberg-Pill.

Older Toddler Room: **Oday Montpetit** and parents Rebecca Cariati and Kelzi Montpetit, **Saffron Cronin** and parents Rebecca Weisman and Wright Cronin (also parents to Misha Cronin in the Pre-K Room).

Preschool Room: **Zusa Lightberg** and parents Grace Oedel and Jacob Holzberg-Pill (also parents to incoming infant Py Lightberg, and Full Circle alum, Amos Lightberg). Zusa is rejoining us after taking a year off during the pandemic.

We are also excited to welcome Amber Harvey, Lead Young Toddler Teacher, to the OZ Family. As of this new school year, I will officially be the full time Program Director of the preschool. While it is bittersweet to no longer have a classroom of my own, I look forward to having a stronger presence in all classrooms as we enhance our programming. As we enter this new year, we will continue to find ways to make this a great school year of connection, collaboration and strength, despite its being a fraught time in our world. We've got this!

Shana Tova. Wishing you all a sweet new year!
