

## LUNCH & LEARN

We are delighted to announce that our 2021/22 season will begin in October with a presentation by a couple of Lunch & Learn favorites, Sen. Becca Balint and Rep. Emilie Kornheiser, both from Brattleboro. When the pair spoke here twice before we were impressed by their knowledge, their intelligence, their leadership style and the values they carry with them into the Vermont Legislature.

**THURSDAY, OCTOBER 21 at NOON via ZOOM**

### ***“Our Nation’s Existential Crisis and How We Hold Things Together”***

Senator Becca Balint, Senate President Pro Tempore, and Representative Emilie Kornheiser, Vice Chair of the Ways and Means Committee, will discuss the current state of our democracy, both in Vermont and nationally. They will talk about how we navigate through tough conflict without dehumanizing each other.

Grab a sandwich and coffee and join us for a stimulating lunch hour!

The Zoom link will be on the Upcoming Events page on the OZ website beginning on October 18.
