

OZ FAMILIES FACEBOOK GROUP

We are happy to share that volunteers have launched the [OZ Families Facebook Group](#) as a way for Full Circle, Hebrew School, Nadav and all our families, staff and community members to connect and support each other. We hope participants will use it to communicate about a range of topics, including OZ programs, holidays, food, events, religion/spirituality and more. The group is not visible to the public. It's off to a good start with nearly 60 members already. If you are interested in joining, please contact Brett Smith or Ingrid Pels.
