Thank You

- To Nancy Sugarman for generously hosting Sophie Miller in her home, when she spent a week exploring Vermont and meeting OZ staff and volunteers.

Shalom Shuk

We are seeing an uptick in voucher use, not from our new American immigrant neighbors, but by our everyday long-term neighbors. People are truly struggling right now.

The Shuk recently held a bag sale, at which donations were placed in totes and customers were able to fill a normal-sized reusable grocery bag for \$20. The sale helped us clear the back room and also helped our community.

NOTE: We are looking for a new volunteer to bring things to Goodwill for us.
