

## SHALOM SHUK

What delight and joy we are bringing to the North End Food Shelf with donations of shampoo, toilet paper, cleaning supplies, toothpaste, soap, diapers (sizes 3, 4, and 5 needed most), etc. Ducky Donath delivered and Tom Fleury, who runs this Food Shelf, was most thankful on behalf of our neighbors who rely on the Food Shelf at this time in their lives. If you want to donate these supplies, please bring them to Ohavi Zedek's Shalom Shuk, located in the barn behind the synagogue.

This action is in response to the mission of the Shalom Shuk "to build bridges between people of all religious, social and economic backgrounds, through exchanges that foster dignity and respect and offer equal access for all to fine used clothing and household goods, while promoting self-respect and self-sufficiency." In pursuit of Shalom Shuk's mission, we provide basic household goods and clothing to recently arrived immigrants and people in need.

While we distribute and sell merchandise at the Shuk, we are extending our ability to fulfill our mission by bringing supplies into the community when we know there is a need. If you know of such a need, please be in contact with Ducky ([duckyinvt@gmail.com](mailto:duckyinvt@gmail.com)) or Kay to let us know so we may work to fulfill the needs of our neighbors.

Thank you!
