

IMAGINE 2025 UPDATE
We are dancing in the woods behind OZ!

Have you walked the new paths behind OZ, or participated in the Eliana Light Scholar in Residence Weekend, or enjoyed the Kosher Deli Pop Up? If so, you tasted the potential of Imagine 2025.

We are just beginning to see the fruits, the potential, of Imagine 2025. Would you like to join us as we continue to look forward and enjoy the opportunities for our community?

The place to start is to review our plan - [Imagine 2025 Plan!](#)

A plan created with more than 150 community members who participated in focus groups, task groups, and ongoing conversations. The plan recognizes key opportunities moving forward to retain and support existing members while providing meaning and value to the larger Jewish community.

The vision for Imagine 2025:

Belonging – Through Welcoming, Meaningful and Joyous Jewish Experiences

This is about fostering deep and meaningful relationships, about learning and being together, and about feeling a true sense of belonging.

Here are three key areas where you can jump in.

The Religious and Spiritual Committee is focusing on expanding our services to meet the needs of our evolving community. We are looking to enrich both our traditional services, while exploring opportunities for progressive services. If you are interested in joining this work, please reach out to our Religious and Spiritual Committee leadership – Basha Brody and Navah Spero. **Please join us.**

The **Center for Jewish Life (C4JL)** is bringing together our educational, cultural, outdoor, and arts programming. We are delighted that this is evolving with the guidance of Joanna Grossman. Join Joanna and the C4JL working group – we would love your energy in support of enhancing our Jewish life. **Please join us.**

Our **Social Justice Task Group** is just getting off the ground. Here is an area where your efforts can benefit so many in our OZ community and beyond. **Please join us** as we work to integrate and coordinate the social justice activities of the Shuk, G'MaCH, and Social Action. If you are interested, please reach out to Jeff Potash.

Our success in all these initiatives is based on your participation. If you would like to join in any of the above for an hour a month or 10 hours a week let us know. You will find us dancing in the woods behind OZ!

Thank you again for all you do on behalf of our community.
